

In demonstrating our commitment to equity, diversity and inclusion, ICF Vancouver Chapter will begin by hosting a virtual event in July discussing Unconscious Bias. Please keep an eye out for upcoming events. In the meantime, below are a few possible resources to support our membership to courageously explore this topic within themselves, so in turn, we as coaches can help others in our communities do the same.

As Martin Luther King Jr said, "Human progress is neither automatic nor inevitable... Every step toward the goal of justice requires sacrifice, suffering, and struggle; the tireless exertions and passionate concern of dedicated individuals".
